DOLLAR GENERAL®

Dollar General is the fastest-growing retailer which currently boasts roughly 18,000 neighborhood general stores in 46 US states, primarily in the South, East, Midwest, and the Southwest. Roughly 75% of Dollar General's sales are derived from consumables (including refrigerated, shelf-stable, and perishable foods,) in addition to everyday household items such as paper towels, bath tissues, paper dinnerware, laundry, and home cleaning supplies. Dollar General offers some of America's most trusted name brands such as Clorox, Energizer, Proctor & Gamble, Hanes, Coca-Cola, Mars, Nestlé, Kimberly-Clark, Kellogg's, General Mills, Pepsi, and many others. Over the past few years, Dollar General has started to introduce alcohol and tobacco products such as cigarettes into their product mix, which has further driven revenue and increased profitability.

With its small-box store model typically measuring ± 9,100 sq. ft, Dollar General targets cost-conscious consumers that prefer easier and quicker access to items than at super-sized competitors such as Wal-Mart and Costco (which are also often much farther away). Indeed, Dollar General's strategy of catering to the value-conscious has paid off big, both during and after the recession. The discount retailer boasted its expectation of 29 consecutive years of same-store sales growth in December 2018, attributable to its value and convenience proposition, along with strong consumables and seasonal goods sales.

Residents have access to high-quality amenities for a low cost of living and educational opportunities ranging from grade school to research universities. Fort Worth maintains its small-town feel and hospitality as it embraces modernization and growth opportunities: It is one of the top locations in the country to live and work.

ECONOMIC SNAPSHOT

Known as the most typically Texan of all Texas cities, Fort Worth balances its agriculture, cattle and oil heritage seamlessly with an ever-growing array of new businesses and industries. It is a city of partnership and progress that has evolved into one of the best places to do business in Texas. Burgeoning business opportunities are attracting international investment and world-class companies, earning Fort Worth a global reputation as a center for commerce.

Already a major center for industry, technology, distribution and transportation, Fort Worth offers corporations the best of Texas – an unparalleled mix of thriving businesses, entrepreneurial spirit, and an outstanding quality of life. An abundance of land and low operation costs distinguish Fort Worth from neighboring Dallas, especially for companies that need lots of space. Fort Worth has several major business parks located throughout the city, presenting copious opportunities for warehousing, industrial and other business space to suit the needs of effectively any company. Featured benefits of these business parks include foreign trade zone and triple freeport status.

Many of the nation's largest and most successful companies are already operating headquarters, manufacturing centers or distribution hubs in Fort Worth. These renowned businesses are in a wide array of industry clusters including natural gas, life sciences, logistics, aviation and aerospace, and manufacturing. To meet the demand for space, shopping centers, industrial building and offices are continuously being constructed, rendering real estate as one of the most dynamic sectors of the local economy.

HIGHER LEARNING

Dallas-Fort Worth provides exceptional education opportunities with seven universities and colleges located in the immediate area. Every year matriculating students join the ever-growing pool of employees. It is this diverse and talented workforce that has remained a competitive advantage for the area in attracting relocating businesses.

TEXAS CHRISTIAN UNIVERSITY

Texas Christian University, or TCU, is the most prominent university in Fort Worth. Located about three miles from downtown, TCU's 325-acre campus consists of eight constituent colleges and schools. With a combined total undergraduate and graduate enrollment of over 10,000, TCU offers its students 119 undergraduate areas of study, 53 master's level programs and 28 areas of doctoral study.

**VOTED ONE OF THE MOST WALKABLE DOWNTOWNS IN
THE UNITED STATES**

DEVELOPMENT

Fort Worth's population continues to boom as people flock to the city, drawn by its steady economy, topnotch entertainment and easy going lifestyle. This recent growth has prompted the City of Fort Worth to pursue new approaches in handling major population surges.

Piloted by the Trinity River Vision Authority (TRVA), the Trinity River Vision (TRV) is a master plan for sustainable redevelopment of Fort Worth's downtown core surrounding the Trinity River. Now in progress, the most well-known of the Trinity River Vision projects is that which will transform a once-neglected and under-used section of the Trinity River into an urban riverfront community: The Panther Island Plan. In creating a waterfront neighborhood just north of downtown Fort Worth, the Panther Island Plan will effectively be doubling the size of the downtown area, consequently generating more than \$600 million in economic development activity solely in the first decade alone.

Panther Island is the largest mixed-use development in Fort Worth, opening up for the development of 800 acres connecting downtown, the cultural district and the stockyards as well as creating twelve miles of urban waterfront development potential. An inspired collection of area requirements, such as smarter zoning, will encourage sustainable central city development of over three million square feet of commercial space and 10,000 mixed-income households.

MAGNOLIA AVENUE

On the southside of Fort Worth is a hipster enclave called Magnolia that's become one of the busiest pockets of the city. The streets here are lined with eccentric bars, coffee shops, vegan diners and B-Cycle stations — a citywide bike-share program. It's a newer neighborhood — still gentrifying, still up-and-coming, with chic hot spots thriving inside decades old buildings. The result: a funky-chic neighborhood where the antique meets the modern.

COMPANY HEADQUARTERS

WEST 7TH

Located on Seventh Street and University Drive near the Fort Worth business and cultural districts, West 7th is a 13-acre urban village that has quickly become one of the hottest entertainment scenes in the city. This trendy, pedestrian-friendly area is a strategic blend of urban elements in a mixed-use community offering high-concept dining, local specialty fashion retailers, unique entertainment venues, office and residential communities.

Crockett Row at West 7th is a popular urban development that links downtown Fort Worth, the Will Rogers Memorial Center and the Cultural District. With a modern vibe and a distinctive mix of great shopping, restaurants and nightlife, this development is anticipated to attract more and more visitors.

SUNDANCE SQUARE

At the heart of Fort Worth's growing entertainment district, Sundance Square is the epitome of urban design and functionality and is one of the safest urban areas in the country. A 35-block development filled with boutiques, restaurants, night spots, and art galleries, Sundance Square is one of the best entertainment and shopping districts in the Southwest. The past and future intertwine in the square's 42 modern and historic buildings, red-brick streets, and expansive plaza, adding to its authenticity and charm.

FROST TOWER

Frost Tower is a 25-story, high-rise luxury office building currently under construction in downtown Fort Worth. When it opened for business in early 2018, the \$115 million tower transformed the Fort Worth skyline.

Designed by Bennett Benner Partners for Anthracite Realty Partners, LLC, the building includes retail, office, parking and residential units. Jetta Operating Company, Inc. and Frost Bank are the main building tenants with additional lease space available. Parking spaces for the Fort Worth Club & Morningstar have been designed into the parking garage to provide convenient access to their facilities. Pedestrian access to the new tower is along Taylor Street, where visitors have access to a bank of high efficiency elevators taking them to the Sky Lobby level. Ground floor retail space enlivens the streetscape along 5th, Taylor and 6th Streets.

Modern, high-efficiency pedestrian lights further enhance the pedestrian experience by providing a well illuminated streetscape at the building perimeter. The Sky Lobby features views of surrounding downtown buildings as well as a security & visitor check-in area that guests will pass through on their way to the office tower elevator bank.

MAJOR SHOPPING AND ENTERTAINMENT DISTRICTS

In addition to its large number of businesses, Dallas has more shopping centers per capita than any other city in the United States and is also home to the second shopping center ever built in the United States, Highland Park Village, which opened in 1931.

Dallas is home of the two other major malls in North Texas. Both malls feature high-end stores and are major tourist draws for the region:

- Galleria Dallas, a unique urban shopping destination with attached hotel and office buildings, has nearly 200 nationally and internationally recognized shops and restaurants surrounding an impressive ice rink. It hosts 19 million visitors annually.
- North Park Center is 2.3 million sq. ft. with over 235 distinctive stores and restaurants. It features museum-quality modern art pieces and is the second largest mall in Texas.

Downtown Dallas is home to Neiman Marcus' flagship store as well as boutiques, restaurants, clubs, and a growing farmers market scene. Nearby West Village, Deep Ellum, the Cedars, and Uptown are popular mixed-use destinations for shops and restaurants.

The Dallas area has more restaurants per capita than any other U.S. city. Clusters of unique restaurants and shops are scattered throughout the city, notably in destinations in Downtown, Uptown, Bishop Arts District, Deep Ellum, Greenville Avenue, Knox-Henderson, and Lakewood. The newest center of dining is Trinity Groves, an evolving 15-acre restaurant, artist, and entertainment destination in West Dallas.

DALLAS CULTURE

Dallas boasts the largest concentrated urban arts district in the nation. The Dallas Arts District was established in 1983 to centralize the art community and provide adequate facilities for cul-tural organizations. Institutions include the Dallas Museum of Art the Morton H. Meyerson Symphony Center the Dallas Theater Center the Booker T. Washington High School for the Performing and Visual Arts the Trammell and Margaret Crow Collection of Asian Art and the Nasher Sculpture Center.

DALLAS EVENTS

State Fair of Texas, which has been held annually at Fair Park since 1886. The Fair is a massive event, bringing in an estimated \$350 million to the city's economy annually. The Red River Shootout, which pits the University of Texas at Austin against The University of Oklahoma at the Cotton Bowl also brings significant crowds to the city. The city also hosts the State Fair Classic and Heart of Dallas Bowl at the Cotton Bowl. Other well-known festivals in the area include several Cinco de Mayo celebrations hosted by the city's large Mexican American population, and Saint Patrick's Day parade along Lower Greenville Avenue, Juneteenth festivities, Taste of Dallas, the Deep Ellum Arts Festival, the Greek Food Festival of Dallas, and the annual Halloween event "The Wake" featuring lots of local art and music.

Information About Brokerage Services

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

TYPES OF REAL ESTATE LICENSE HOLDERS:

- **A BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- **A SALES AGENT** must be sponsored by a broker and works with clients on behalf of the broker.

A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

AS AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent.

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent.

AS AGENT FOR BOTH - INTERMEDIARY: To act as an intermediary between the parties the broker must first obtain the written agreement of *each party* to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
 - that the owner will accept a price less than the written asking price;
 - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
 - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

AS SUBAGENT: A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

LICENSE HOLDER CONTACT INFORMATION: This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.
